

ESTATE ENTRANCE SECURITY

In order to prevent unauthorised visitors entering our Estate, the ESL Council has engaged the services of Invictus Security Guards.

The decisions about provision of Security will depend on the continued assessment of a number of factors including Covid19 Lock Down changes and the weather forecast.

On some occasions both entrances may be Guarded or The Layne Entrance may be closed to Traffic.

ESL Members should display their Windscreen Stickers for entry to the Estate. If you do not have one please contact the Secretary 01243 584900

secretary@elmersands.co.uk

Drivers of all other vehicles eg visitors, deliveries and services may be asked to state their purpose for entry to the Estate

Further bookings for the Summer will be reviewed on a week by week basis

Your Co-operation and curtesy to the Guards is appreciated

The Council of Elmer Sands Ltd
